Premium programme

The Lycée Sévigné is a private school located at about 10 minutes from the centre of Issoire, welcomes students from primary to high school.

Facilities include a library, science laboratories, a multimedia room, study rooms, recreational indoor and outdoor space.

The following subjects are being taught : French, arts, literature, mathematics, history, geography, physics, chemistry, biology, philosophy, economy, computer sciences, physical education.

Several foreign languages are taught at this school like English, Spanish, German, Italian.

On top the pupils can choose various options like Latin, music, economic and social sciences, choir or theatre workshops.

Various sports are also offered with the sportive association : cross country, French boxing, basket ball, table tennis, VTT.

Boarding students are accommodated on the premises of the Lycée Agro-Environnement of Breuil sur Couze. Girls are three per room with a bathroom (wc, washbasin and shower) and boys are in individual or twin rooms with shared toilets and showers. Transportation between the boarding school and the Institution are done by school bus.

The school issues a report at the end of each term. In addition, students on our programme are supervised by an Education en France representative.
