

## Lycée Pierre Rouge Montpellier

**Location:** Montpellier (South)

**School type:**  
Private boarding school (boys only)

**Category:**  
Premium programme

The lycée Pierre Rouge is located in the city of Montpellier, the major city of the region Languedoc-Roussillon on the Mediterranean coast. The school is a private lycée set in a beautiful park. It's a family size school with only 450 students giving it a friendly atmosphere.

The facilities include classrooms, a library, science laboratories, a computer laboratory, a sports hall and a school restaurant.

The boarding school, for boys only offers accommodation in multiple rooms (3/4 students per room) with showers and WC on each floor.

Among subjects on offer are: French, English, Italian, Spanish, German, History, Geography, Mathematics, Biology, Social sciences, Economics, , Physical Education as well as some optional subjects including Arts, Electronics, Computer science, Physic measurements, Latin, Greek ...

The school has good sports facilities on the grounds. Sports on offer in the school include volley ball, handball, badminton, basketball, swimming, tennis, athletics...

The school also offers several extra curricular activities among which several clubs : computer, ping-pong, choir, dance, football, as well as outings : cinema, theatre, school trips...

The school issues a report at the end of each term. In addition, students on our programme are supervised by an Education en France representative.
