Welcome to BHASVIC

At BHASVIC our purpose is to change people's lives through learning.

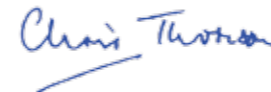

We aim to provide you with the opportunities you need to achieve your educational ambitions. Our expectation is that you will take advantage of them!

This prospectus will show you the kinds of opportunities we offer: a wide range of courses at Foundation - Level 1, Intermediate - Level 2 and Advanced - Level 3, plus Sport, Music, Drama, Art, Business and Community links.

Staff expect you to achieve your best at the College and to have consideration for yourself and for other people. Relationships between staff and students are warm and friendly.

We are justly proud of the quality of individual support and attention we offer.

I very much hope our prospectus for 2011 – 2012 makes you want to come and see the College for yourself.
