English for Customer Service & Tourism

When you arrive, we might suggest a sandwich program to coincide with high season in the resorts. In these cases, an extra C\$100 homestay placement fee will apply. While you study, you can stay in homestay or one of our other accommodation options. The English Study portion will include a Workplace Preparation class. During the work placement, you will stay in resort accommodation, sharing rooms with your co-workers. Work placements are not in Vancouver; you will need to relocate to a resort.
