Our College – your personal learning experience

Our centrally located school is in a popular area of the business district within easy walking distance of the main shopping and entertainment areas, and minutes from the spectacular harbour-side. The College occupies the 4th floor of a modern office building and has a professional and spacious feel.

With a population of just over 500,000 Vancouver achieves a balance of offering all the attractions of modern urban living, while being small enough to provide a safe and welcoming atmosphere. Our small, friendly College is ideal for students looking for high levels of personal attention and support.
