Work South Africa

Planned arrival in South Africa (day/ month/year)

Planned departure to home country (day/ month/year)

Work South Africa is a non-placement programme. With the enrolment and payment of the Work South Africa fee you are applying for a special Student Exchange Visa that will allow you to do paid work in South Africa for up to one year. Typically students find work in the hospitality industry (i.e. in bars, restaurants, nightclubs, or within the backpacking industry). Although Good Hope Studies does assist students in organising their first job, it is important to note that the students are responsible for finding jobs.
